RURAL ELECTRIC COOPERATIVE	)	
CORPORATION FROM NOVEMBER 1,	)	
1982, TO OCTOBER 31, 1984	)	

O R D E R

Pursuant to 807 KAR 5:056, Sections 1(11) and (12), the Public Service Commission ("Commission") issued its Order on November 20, 1984, scheduling a hearing to review the operation of the fuel adjustment clause of Jackson Purchase Rural Electric Cooperative Corporation ("Jackson Purchase") for the past 2 years and to determine the amount of fuel cost that should be transferred (rolled in) to the base rates in order to reestablish the fuel adjustment charge.

Jackson Purchase filed all requested information, including its monthly fuel charges for the 2-year period under review. Following proper notice, a hearing was held on April 4, 1984.

The Commission approved a transfer (roll-in) of (.96) mills per KWH to the base rates of Jackson Purchase's wholesale supplier, Big Rivers Electric Corporation ("Big Rivers") in Case No. 9170. Approval of Big Rivers' proposal requires that Jackson Purchase also be authorized to roll in those same fuel costs to its base rates.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Jackson Purchase has complied in all material respects with the provisions of 807 KAR 5:056.

2. Jackson Purchase's wholesale supplier has been authorized to transfer (roll-in) to its base rates fuel costs of (.96) mills per KWH in Case No. 9170.

3. Jackson Purchase should be authorized to decrease the rates charged its customers by 1.03 mills per KWH in order to transfer fuel costs rolled in by East Kentucky from the fuel adjustment clause to the base rates pursuant to the Commission's Order in Case No. 9170 and applicable line loss, and this can best be accomplished by a uniform reduction in all energy rates.

4. The revised rates and charges in Appendix A are designed to reflect the transfer of fuel costs from the fuel adjustment clause rate to the base rates.

IT IS THEREFORE ORDERED that the charges collected by Jackson Purchase through the fuel adjustment clause for the period November 1, 1982, through October 31, 1984, be and they hereby are approved.

IT IS FURTHER ORDERED that Jackson Purchase be and it hereby is authorized to transfer to its base rates fuel costs transferred by its wholesale supplier pursuant to Case No. 9170.

IT IS FURTHER ORDERED that the rates in Appendix A be and they hereby are approved for service rendered by Jackson Purchase on and after June 1, 1985, which is also the effective date for Big Rivers' rates.

IT IS FURTHER ORDERED that within 30 days from the date of this Order Jackson Purchase shall file with the Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 8th day of May, 1985.
